### **Voice Over / Narration Copy:**

**SURE SHADE** (friendly / trustworthy)

Sure Shade's boat shades eliminate cumbersome and tedious canvas handling, allowing for shade where once not possible. Unlike traditional boat canvas and Bimini tops, Sure Shade sunshade systems utilize a patented telescoping framework technology that easily extends and retracts for unobstructed shade and freedom of movement on a boat.

**OSHA:** (educational / professional)

Federal agencies must have a safety and health program that meet the same standards as private employers. Although OSHA does not fine federal agencies, it does monitor federal agencies and responds to workers' complaints. The United States Postal Service (USPS) is covered by OSHA.

**UNV OF PHOENIX** (youthful / honest)

**SAMS** (friendly, fun)

Did you know Sam's serves only 100% pure North American beef. I believe this is why they're hamburgers taste better and juicier than the other burger joints. See it's not about the millions they've served over 18 years, it's how they treat me that matters. Sam's – much more than just burgers.
