Remember, read each using a **different character** as to reflect a varied voice and sound.

The key is to sound “unique” on each voiced clip. So created a different character for each of the clips below. Also try to match the emotion and attitude of the read as well as offer a unique character voice for each role, or test dialogue.

### Character Test Script:

Celebration: Woo hoo! Hey, why all the doom and gloom people? We should be celebrating this fantastic news! Three creatures down, one to go. Let's get off our butts and get some...

Drama: Wait, there it is...If you can't stay with me here, then i'll go back to Republic City with out you. Decide my friend because I'm on a serious mission and it does not include lazy people, only wanting to hold me back.

Comedy: Man's best friend is not a dog. I think it's actually an old gym sock stuffed with bacon fat

Action: I'm here to offer you a very unique proposition, one that will undoubtedly change your life forever. You must make a choice soon. I will return at sunset and you had better decide on the fate of your entire kingdom.

Adventure: Hey, man, the day job is stress free. I can play my own music, hike when I wanna, mess around on the Internet, or just chill out if I please. Yes sir life like a rock star is preety darn good if you ask me.

Nervous: There is now way, you're getting this without just cause. Hey maybe it's a cave for aliens, lets check it out.

Angry: This has to be the most crazy, irresponsible idea you ever had as a soldier. I should never have promoted you to commander of this ship.
